

Get Kids Active Now More Than Ever!

Bike Fort Collins and
Wish for Wheels are
partnering to bring every
low income 2nd grader
in Poudre School District
a new bike/helmet
(over 400 kids!)

How to Participate

Customized Bike Build/Give Event –

No matter your organization's size, you can still make a difference!

1 Fund

\$150 per bike/helmet. Minimum of 10 bikes. 25+ bikes funds an entire class in a school

2 Build

Option to Build your funded bikes at a socially distanced event at Foothills Mall this fall.

3 Give

We will deliver the bikes and when feasible you can join us! We will send pics/vids.

Kids Feel the Love!

Now more than ever, more bike time equals...

- More connection to outdoors & other kids.
*School was a resource for connectivity, peers and support**
- Less screen time
*Screen time is up 60% to 11.2 hrs. daily**
- More routine & exercise
*Only 1 in 5 kids meets the daily recommended amount**
- Enhanced development
*Lack of play has severely impacted kids psychosocial development**
- Greater sense of adventure & independence

And... the bike size lasts 3 years!

** Since pandemic began, March 2020.*

Wish for Wheels and Bike Fort Collins are 501(c)(3) nonprofit organizations.
